Dear School District of University City Supporter:

The School District of University City is sponsoring its third annual "Back-To-School Rally" on Saturday, August 1, 2009 from 9 a.m. to noon on the McNair Campus, 8136 Groby Road.

This free, community-wide event, which features school-supply giveaways as well as "fair" type activities, fosters the district's dedication to educational excellence. However, we need your help to make the Back-To-School Rally a success.

We are seeking donations for a variety of items including, but not limited to, school supplies for children in kindergarten through twelfth grades, food, event prizes or promotional give-a-ways and/or financial support.

We are also seeking participation from vendors or community organizations that would be willing to provide free services such as hair cuts, health screenings, program information, entertainment or demonstrations.

Last year, more than 2,000 people attended the Back-To-School Rally.

We hope that you will consider supporting our Back-To-School Rally. For more information about the event, please contact Kelly Mueller at 314-290-4058 or email kmueller@u-city.k12.mo.us.
