

SCHOOL DISTRICT of UNIVERSITY CITY

Julia Goldstein Early Childhood Education Center • 737 Kingsland Avenue

Welcome to Parents And Children Together, PACT.

During this 90-minute group meeting, a parent educator will lead families in circle time, a theme based activity and gross motor activities while imparting developmental information. In order to meet DESE (Department of Elementary and Secondary Education) requirements, we must continually attract new families and expand our services. With this in mind, we are requesting that families bring a new University City family to introduce them to Parents As Teachers (PAT).
