

Dear Alumni, Supporters and Friends,

The University City High School Alumni Association (UCHSAA) will host the Annual Family Picnic and Open Grill at Heman Park from noon until 6pm on Saturday, July 31st. More than 1000 UCity alumni from near and far attended this free event in 2009. While this event allows the alumni and the community to partner, it also offers vendors and supporters a great opportunity to sell/advertise goods and services to hundreds.

Last year's picnic hosted vendors offering food items, insurance, cosmetics, shoes and more. Live music, games and family activities were also enjoyed by all. We would like to offer these activities again and your attendance will make this possible. **Vendors must provide their own equipment, tables, chairs and tents. No electricity is available.** Previous vendors include: Cecil Whittaker's-UCity, Aliva Max, Mary Kay, Roland's Frosty Treats, Zone 3 Candy Company, United First Financial, 2000 feet, Horizon Photography, Henry L. Willis Colon Cancer Foundation, Brown Kortkamp Realty, Inc., District Printing, UniverSoul Circus and Whirlwind of Praise Ministries.

The UCHS AA, founded in 2002, proudly supports the School District of University City and the community through advocacy, volunteerism, facilitation of communication and preservation of the spirit and traditions of University City High School. In addition to hosting a variety of social and education programs, the UCHS AA also produces the alumni magazine, ClassActs: maintains a comprehensive database of all graduates: and serves as a resource for class reunions. The UCHS AA is a 501c3 organization.

Sincerely,

Carmen Hemphill
President, UCHS AA
