Dear University City Schools Families:

I hope you are well and taking care. This is just a brief reminder that the University City Board of Education will be conducting a special meeting this Thursday, July 9, at 6 p.m. in the McNair Administration Building Board Room. The Board wants your participation to inform its consideration of declaring the McNair Administration Building as surplus property.

At the request of the Board, accommodations have been made to attend the meeting virtually via Zoom or in-person in a way that adheres to safe social distancing. In-person attendance is limited to the first 25 who register. Both virtual attendees and in-person attendees must register at [www.ucityschools.org/BOE070920](http://www.ucityschools.org/BOE070920). Additionally, those who attend virtually who would like to make a citizen's comment must submit their comment(s) ahead of the meeting through the registration [form](#). All submitted comments will be read to the board by a moderator during the Citizen's Comment portion of the meeting.

For more detailed information on the Board of Education meeting and procedures for in-person attendance, click [here](#).

Also, my next Zoom with the Superintendent question and answer session will be 10:30 a.m. and 5 p.m. on Wednesday, July 15. To register, please click [here](#).

Finally, I have scheduled a virtual Town Hall Meeting on Wednesday, July 22, at 9 a.m. and 5 p.m. to present our finalized back- to-school re-entry plan. [Registration](#) to the webinar opens today. For a full description of the two sessions, click [here](#). You will be hearing more about this soon, but it's never too early to get this meeting on your calendar.

Looking ahead this week, please keep an eye out this Friday, July 10, for another email from me containing our third parent survey and more news. As always, you can contact me at any time with questions or concerns at [shardin@ucityschools.org](mailto:shardin@ucityschools.org) or 314-399-0941.

In Service of Our Children,

Sharonica Hardin-Bartley, PHD, PHR  
Superintendent
