Hello University City Schools Families:

I am sending out a few reminders this evening regarding meetings this week and other items pertaining to the start of the 2020-21 school year.

- You can ask questions to me directly tomorrow, July 28, about the plan for the start of the upcoming school year during my Zoom with the Superintendent sessions at 9 a.m. and 5 p.m. Given we may have a large group, tomorrow's session will be in a webinar format. You will still be able to ask questions in the Question and Answer box, and, you will also be able to see the questions written by other attendees. I hope to particularly talk about the differences between 100% online learning through Click Academy versus 100% online learning through Brick Academy. To register for either session, go to www.ucityschools.org/Zoom. We will send out reminders before both sessions.
- The link to begin the enrollment process for your child or children into Click Academy is www.ucityschools.org/ClickAcademyRegistration. Click Academy is a semester-long, virtual-only learning option with courses designed and taught by Launch, a program out of Springfield public schools. The deadline to fill out the form is August 1. If you enroll your child in this option, we will ask you to attend a Click Academy Town Hall virtual meeting next Monday, August 3 at 9 a.m. or 5 p.m. We will send an invitation to families who enroll in this option later this week with more details about the Town Hall.
- Please note, families already enrolled in the District and planning to have their children attend Brick Academy do not have to sign up their children for this option. They will automatically be placed in Brick Academy if they do not sign up for click Academy.

- In case our high school families did not see it earlier, Principal Peoples sent an email today with an invitation to join him and fellow high school staff at a Zoom meeting hosted by the UCHS PTO this Thursday, July 30 at 6 p.m. Attendees can ask questions about the upcoming school year. The link to register is www.ucityschools.org/UCHSReEntry. Parents can expect similar information sessions presented by elementary and middle school leadership and staff to be scheduled in the near future.
- Tomorrow, we expect to give you a full question and answer sheet as well as sample distance learning schedules for elementary, middle and high school students who attend Brick Academy - the District's blended model of instruction.

Thank you for your patience as we continue to create more resources to help you with your decisions about the start of the school year.

In Service of Our Children,

Sharonica Hardin-Bartley, PHD, PH
Superintendent
