Good Afternoon University City Families:

On behalf of the Special School District of St. Louis County, we are inviting parents with children who have IEPs with the Special School District (SSD) or who may be in the evaluation process with SSD to participate tomorrow, Friday, July 31, in a Zoom meeting with representatives from SSD.

The meeting will take place via Zoom at 2 p.m. and will be recorded and placed on the District's home page at www.ucityschools.org/SSDZoom after the session.

Parents and guardians will get an overview of services through both Brick and Click Academies and what they can expect as the District begins the year on a virtual-only platform. Parents are encouraged to ask questions during the meeting.

Remember, this meeting is for families already engaged with SSD, meaning students currently have an 'active IEP' or they are in the process of being evaluated.

Please register [here](#) as soon as possible so we can get you a link and password to the meeting and also send you a reminder tomorrow beforehand. If you have already received the link and password via an SSD correspondence, we ask you to still [register](#).

If you have further questions about the meeting, please contact DeAndria Player, director, Special School District at dmplayer@ssdmo.org

follow this link and confirm: [Unsubscribe](#)
