Dear U. City Families:

Beginning Monday, March 23, The District will be providing daily “Grab and Go” breakfasts and lunches on weekdays from 10 a.m. to 1 p.m. at the following five designated locations:

- Barbara C. Jordan Elementary
- Flynn Park Elementary
- Jackson Park Elementary
- Pershing Elementary
- Brittany Woods Middle School

As of today, this meal program will run from March 23 through April 3 and is available to all children of University City Schools families. Participants will be provided meals daily for each child in the family.

Families are encouraged to go to their nearest schools to pick up the meals. All meals will be delivered curbside to vehicles and at designated sidewalk walk up locations to honor public health recommendations for social distancing.

Families should bring a grocery bag or small cooler to bring food home for the day.

Accommodations for food delivery can be made for families who are without transportation or unable to leave their homes. Contact Gary Spiller at [gspiller@ucityschools.org](mailto:gspiller@ucityschools.org).

If you have not already, please fill out this simple online survey so we can better plan: [www.ucityschools.org/MealsSupport](http://www.ucityschools.org/MealsSupport).

### Curbside Pick Up Option:

- Curbside pick up locations will be visibly marked by both signs and cones.
- Please stay in your vehicles when picking up your meals.
- Let the student services team know how many meals are needed by either 1) writing the number of meals needed and making it visible through the passenger side windshield or 2) rolling down the window and verbally letting the team know.
- Open the trunk, and the requested number meals will be delivered to the trunk.

### Walk Up Option:

- Walk-up lines will be clearly marked. Cones will serve as place holders in the lines and will be spaced 6-feet apart for social distancing.
- When you get to the first cone, let the student services team member know how many meals are needed.
- They will gather items for pick up and send you to a designated spot onsite to get the meals.

### Other Notes:

- After picking up meals, all children and families are asked to honor social distancing and refrain from congregating.
- All SDUC school buildings and playgrounds will be closed.

We know this is a difficult time and things are changing rapidly. We will be sending more correspondence soon regarding online instruction and learning resources while schools are closed.

In the meantime, the District's Student Services Office continues to put together a variety of resources on our [website](#), including a [Community Resources](#) sheet if you or someone in your family needs a helping hand.

Please note, the information about the "Grab and Go" meals and Community Resources are also available in separate fliers attached to this email. If you have any further questions or concerns, please contact our Communications Office at [communications@ucityschools.org](mailto:communications@ucityschools.org).

In Service of Our Children,

Sharonica Hardin-Bartley, PhD, PHR  
*Superintendent of Schools*
