Hello U. City Schools Families:

It is hard to believe that the last day of the 2019-20 school year has arrived. No one could have predicted it would end this way. It is still a time to celebrate, be grateful and look ahead. Your children have been resilient, creative, patient, kind, empathetic and rigorous learners this year both in the classroom and at home. Parents, congratulations to you all as well! You made it to the finish line amid a global pandemic

As has been my tradition, please see my end of the school year [video](#). My message contains some news about the Class of 2020 graduation, a description of our summer and a small tribute to our retirees whom we could not honor at our annual dinner celebration this year.

For your reference, here are the links to a few things I mention in the video:

- To register for next Tuesday's 5 p.m. Zoom Q&A on summer Launch courses for students rising into grades 1-8: www.ucityschools.org/SummerQandA
- To find summer reading lists for the entire district: www.ucityschools.org/summerreads
- To learn more about the Grab & Go Meal program continuing over the summer, but moving to Tuesday-only pickups: www.ucityschools.org/GrabandGo

And finally, we are seeking volunteers to reach out in June to parents who will be enrolling or are considering enrolling their children for the first time in the District for the upcoming school year. The enrollment campaign is called **Join The Pride**. Volunteers will be asked to send or deliver postcards to new families they know are joining the District or to families who may be considering a schooling change into the District for the fall. We hope to get them into the U. City Family as soon as possible. If you would like to help in this campaign by writing postcards, please sign up at www.ucityschools.org/JoinThePrideVolunteer.

You will be hearing a lot more from me this summer. I pledge, always, to keep you informed with accurate and trusted information. It truly has been an honor to serve you. Please contact me with questions or concerns at shardin@ucityschools.org or 314-399-0941. Please enjoy the video!
