

SCHOOL DISTRICT of UNIVERSITY CITY
PACEsetter Award

The success of the schools is the result of the efforts of the people involved: staff, parents and community. It is the people who make the ideas, programs and initiatives work. Therefore, the School District of University City seeks to acknowledge community members who have set the PACE (Positively Affecting Community Education) by having a significant impact on the students and staff of this District through their service above and beyond the call of duty.

Nomination Form

Name of Nominee _____ School Year _____

School Affiliation _____ Position/Title _____
