Teacher Recruitment Takes a Tip from Speed Dating on March 21

March 1, 2018, University City, MO – The School District of University City’s Human Resources Department is hosting a speed-dating event for all interested teachers on Wednesday, March 21, 2018, 5:30-7 p.m. at Blueberry Hill, located at 6504 Delmar in the Loop.

Teacher recruitment in preparation for the 2018-19 school year is on going and competition for the best and brightest has never been stronger. Tiffany Slater, assistant superintendent of Human Resources explained, “We have aggressive and clearly defined education goals and we acknowledge the importance of acquiring amazing teachers to forward those goals and teach our talented students. It’s also important that interviewing is not a one-sided process. Both parties must actively choose each other. That’s how we decided to invite candidates to participate in an exciting and welcoming speed-dating format.”

“We are hoping to generate some excitement around the one profession that, through their development of tomorrow’s leaders, has the potential to positively impact them all,” Slater said.

All teachers interested in joining the District are eligible to participate. The District has established an online registration portal at www.ucityschools.org/TeacherRecruitment2018. Candidates can provide advance information including resume and reserve their spot for the event.

For more information, call (314) 290-4022.

###

On February 21, 1911, with a City population of only 2,417, The School District of University City was officially established. Classes began in September 1912 with a total school population of 769. Today, you will find outstanding educational programs serving a student population of approximately 2,800 with a preschool, four elementary schools, one middle school and one high school. In May 2017, University City High School held its 100th formal Commencement ceremony.
