FBI/HIGHWAY PATROL BACKGROUND CHECK PROCEDURES

Registration Process - Missouri Residents All applicants must pre-register for a fingerprint-based background check at the Missouri Automated Criminal History Site (MACHS) www.machs.mo.gov. The background check is performed by both the Missouri State Highway Patrol (MSHP) and the Federal Bureau of Investigation (FBI). After pre-registration, all applicants must visit one of the Identogo office locations for fingerprinting (see the fingerprint location map at <https://www.identogo.com/locations/missouri>).

A four-digit registration code is required to ensure that the results of the background check are returned to the School District of University City. Please use the following codes when requesting your fingerprints for employment:

Registration Number:

Certified—1900

Substitute Teachers—1901

Non-Certified—1902

Registration Process - Non-Missouri Residents

Applicants located outside the state of Missouri are also required to pre-register (see above) at the MACHS website (www.machs.mo.gov) to initiate their fingerprint-based background checks. After pre-registration, applicants who are unable to visit a Missouri-based 3M/Cogent fingerprinting site may complete and mail fingerprint cards directly to 3M/Cogent (see page 3). If you have any questions about the registration or fingerprinting procedures outside of Missouri, please contact Identogo at 844-543-9712 or the Missouri State Highway Patrol's Criminal Justice Information Services Division (CJIS) at 573-526-6312.

Internet Access and Fingerprinting Site Locations

Applicants who do not have internet access may contact Identogo at 844-543-9712 to initiate and complete the registration process. Please note: a four-digit registration code (see codes above) is required to initiate and complete the online registration process. All Missouri Identogo fingerprint locations are listed at the MACHS website's "Fingerprint Location Map" link (<https://www.identogo.com/locations/missouri>).
