Dear U. City Families and Staff,

As we continue to face this unprecedented public health crisis, our top priority remains the health and well-being of our students and staff. We recognize that this disruption to our normal school year will have a significant impact on our students, families and staff.

At this time, we are finalizing plans for free breakfast and lunch meal support for District families to begin on Monday, March 23. **We ask that all U. City Schools families complete a simple online survey at [www.ucityschools.org/MealsSupport](http://www.ucityschools.org/MealsSupport) as soon as possible.** Your survey data, whether there is a need or not, will help us better form this plan. Details regarding the meals support plan will be shared later this week.

As mentioned in a previous message, we are also working diligently to design plans to maintain the continuity of education. Additional information regarding academic support will also be shared later this week.

As we continue to develop plans to serve the best interest of our students and families, I am confident that with continued dialogue and your unwavering support, we will get through this together. If you have any questions or concerns, please email communications@ucityschools.org.

In Service of Our Children,

Sharonica Hardin-Bartley, PhD, PHR
Superintendent of Schools
